SECTION E

E03 - INSPECTION AT ORIGIN (DSCC 52.246-9C01) (JUN 2001)

(a) Inspection for compliance with contract requirements will be performed at origin by an authorized Government inspector.
(b) Inspection prior to shipment will be based on the

following:
(1) For CLIN(S) described by a Military or Federal specification or purchase description contractor must present evidence showing compliance with all contract and specification requirements including preparation for delivery.
(2) For CLIN(S) described by manufacturer's name/code and part number,
(i) Contractor must present evidence of performance of all quality assurance requirements specified in the contract and assure that item will serve its intended purpose by performing examinations and tests to determine (A) completeness of item, (B) absence of rust, contamination, or deterioration, (C) correct identification, (D) absence of any damage, and (E) compliance with preparation for delivery. If the contractor is not the manufacturer of the supplies, evidence must be furnished to establish that the supplies were produced by the manufacturer.
(ii) The word 'manufacturer' means the actual manufacturer of each CLIN. The QAR may require that evidence be furnished establishing the name and address of the plant that manufactures each CLIN to assure that a domestic product is being supplied.
(3) For CLIN(S) designated as Former Government Surplus (whether described by manufacturer's name/code and part number, or by Military or Federal specification or drawing), the original package markings of each item shall be verified to previous Government contract number and part number (as specified in DLAD Clause 52.211-9000, Section I of the award). Any deviation from this number shall be cause for rejection of the item.
Note: Additional inspection requirements may be required, based on the evaluation of the surplus offer, by the procuring activity. Such additional requirements, if necessary, will be identified before the award.
