I12 - DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE
 RESOLUTION (JUN 2001) (DLAD 52.233-9001)

(a) The parties agree to negotiate with each other to try to
 resolve any disputes that may arise. If unassisted
 negotiations are unsuccessful, the parties will use alternate
 dispute resolution (ADR) techniques to try to resolve the
 dispute. Litigation will only be considered as a last resort
 when ADR is unsuccessful or has been documented by the part
 rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that
 party must discuss the use of ADR with the other party. The
 documentation rejecting ADR must be signed by an official
 authorized to bind the contractor (see FAR 52.233-1, or, for
 the agency, by the contracting officer, and approved at a
 level above the contracting officer after consultation with
 the ADR Specialist and with legal counsel (see DLA Directive
 5145.1). Contractor personnel are also encouraged to include
 the ADR Specialist in their discussions with the contracting
 officer before determining ADR to be inappropriate.

I30 - OPTIONS FOR INCREASED QUANTITY (DSCC 52.217-9C03)
 (OCT 2001)

(a) The Government may require delivery of additional
 supplies in accordance with the CLIN(S) identified as Option

CLIN(S) in Section B.

(b) The option may be exercised in one or more increments
 at the time of award and after award during the period of the
 contract delivery schedule minus 14 days. The total amount of
 supplies ordered under this option will not exceed the maximum
 specified in Section B but may be less than the maximum
 amount. A written notice mailed or otherwise furnished by the
 DSCC contracting officer to the contractor within the time
 specified shall constitute an exercise of the option.
 Delivery schedule is defined as follows:

(1) The delivery schedule means a period of time from
 the date of award to the last scheduled delivery date of any
 CLIN, including CLINs added by modification (other than option
 exercises) as stated in the modification.

(2) Modifications extending the delivery schedule
 shall be interpreted as extending the option period, unless
 otherwise stated in the modification.

(3) Modifications accelerating the delivery schedule
 shall NOT be interpreted as reducing the option period, unless
 otherwise stated in the modification.

(c) Prior to option exercise, the contractor voluntarily
 may reduce option price or improve delivery time by written
 notice to the contracting officer.

(d) Delivery of supplies ordered pursuant to this clause
 shall be required within the same number of days as the
 original contract quantity, computed from date of option
 exercise. However, if First Article Testing is required under
 the contract and the First Article Test has been waived or
 passed at time of award of the option, delivery time for
 option quantities shall be reduced by the amount of time
 specified for reduction based upon FAT waiver as specified
 under contract clauses I43a or I44a. If additional time is
 required for delivery of the option quantity the contractor
 must submit a written request to the contracting officer
 within 10 days after receipt of option notice.

(e) If the specifications are changed prior to option
 exercise or if the option exercise specifies different
 delivery points or packing requirements other than stated in
 the contract, the price and delivery time for the option
 exercise quantity shall be subject to adjustment under the
 clause entitled 'Changes'.

(f) The Government may reject an offer as nonresponsive if
 it is materially unbalanced as to prices for the basic
 requirement and the option quantities. An offer is unbalanced
 when it is based on prices significantly less than cost for
 some work and prices which are significantly overstated for
 other work.

NOTE: FAILURE TO SUBMIT AN OFFER ON THE OPTION CLIN(S) IN
 SECTION B MAY RESULT IN REJECTION OF BID/OFFER.
