VANISHING VENDOR CLAUSE

Any resulting contract or order must contain the following provision, which is necessary due to the numerous vanishing suppliers in the marketplace:

“Some of the parts used in the manufacture of this item are of an obsolete nature. Therefore, in the event Northrop Grumman cannot obtain specific material required in the manufacture of the item, the Contractor shall notify the Contracting Officer. At that time, Northrop Grumman may recommend a solution and specify the impact such solution will have on the purchase order price and delivery. If the Contracting Officer accepts the recommended solution, a modification shall be executed between the Government and the Contractor equitably adjusting the order price and revising the delivery. Under no circumstances shall the Contractor initiate any redesign effort or incur any additional costs without the express, written authorization of the Contracting Officer. In the event the Contracting Officer does not accept the recommended solution or authorize a redesign effort by Northrop Grumman, the purchase order shall be terminated for the convenience of the Government.”
