## SECTION D

## D11C01 52.211-9008 BAR CODING (APPLICABLE TO DSCC, DSCP AND DSCR ONLY) (FEB 2004) DLAD

## D11C03 52.211-9010 MILITARY SHIPPING LABEL (MSL) REQUIREMENTS - MIL-STD-129P (MAR 2004) DLAD

(a) MIL-STD-129, Revision P, dated December 15, 2002, establishes the requirement for Contractors that ship packaged material to the Government to provide both linear and two-dimensional (2-D) bar coding on military shipping labels (MSLs) (but see exceptions in paragraph (d)). The new requirements apply to all shipments, which includes either depot (DLA-Direct) or DVD (Customer-Direct) shipments. Linear

(Code 3 of 9 or Code 39) bar codes continue to be required on interior packages (unit and intermediate packages) for the National Stock Number (NSN) and, when applicable, the serial number; and on shipping containers and palletized unit loads for the NSN, Contractor and Government Entity (CAGE) Code, contract number and, when applicable, the serial number. The new requirements do not apply to delivery orders when the basic contract has not been modified to require MIL-STD-129P.

(b) The new MSL replaces former DD Form 1387 and is illustrated in Figures 2a and 2b of MIL-STD-129P. The MSL requires Code 3 of 9 or Code 39 linear bar codes for the Transportation Control Number (TCN), piece number and DoDAAC for the ultimate consignee or mark-for address. The 2-D bar code on the MSL must contain the document (requisition) number, NSN, Routing Identifier Code (RIC), Unit of Issue, Quantity, Condition Code, and Unit Price, which are ordinarily

included on the DD Form 250 or the DD Form 1348-1A. MIL-STD-129P provides numerous illustrations of what must be bar-coded and the recommended placement of the bar code. When

the contract omits any data element required to be bar-coded, the field should be zero-filled.

(c) MIL-STD-129P, sources for conforming labels, and related information are available on the DLA Packaging Web Site at URL: <http://www.dscclia.mil/offices/packaging/apacardslist.html#STD> DB.

(d) This clause does not apply to -  
(1) Subsistence items procured through full-line food distributors (prime vendors), 'market ready' type items such as fresh milk, ice cream, and other fresh dairy products, fresh bread and other fresh bakery products, and all fresh fruits and vegetables, shipped within the Continental United States (CONUS) to customers within CONUS;  
(2) Any item for which ownership remains with the vendor until

the item is placed in designated locations at the customer location prior to issuance to the customer. L15D05 NOTE TO FAR 52.215-5 FACSIMILE PROPOSALS (DEC 2003) DSCC

(c) The telephone number of receiving facsimile equipment is:

A/C 614-692-4275

NOTE 1: When sending a facsimile proposal, the contractor should program the machine to include his telephone number as the distant station ID. This information is required to assist in documenting receipt of the order.

NOTE 2: Reject offers received via the DSCC Internet Bid Board System (DIBBS). This mode of transmission is not authorized for large purchase acquisition. If the DIBBS offer is received outside the Bid Opening Room, the receiver will immediately hand deliver the offer to the Bid Opening Officer.

The Bid Opening Officer will return ALL DIBBS offers (whether received in or outside the Bid Opening Room) to the contractor. The offer will be returned as an attachment to the letter of rejection. This letter advises that it is unfair and improper to consider the offer since it would have a potential competitive advantage over other offerors, e.g., there could be more time in which to prepare the offer. FAR 14.301(e)/FAR 15.402(k) stipulate that the solicitation must specify which electronic commerce method is permitted.

## SECTION M

M09C01 52.209-9C02 EVALUATION OF OFFERS (GOVERNMENT  
 FIRST ARTICLE TEST) (SEP 2000) DSCC

The cost to the Government for First Article testing shall be a factor in the evaluation of offers. Therefore, offers for which First Article testing is not waived, will be evaluated by adding the sum of \$ 2,500.00, which is the estimated cost that the Government will incur in performing such tests, to the offeror's total offered price, including options. In accordance with paragraph (c) of FAR clause 52.209-4, any additional testing required due to disapproval of the initial First Article test, shall be borne by the contractor.

(b) As a consequence of the Government's cost incurrence associated with conducting a PAS, for purposes of determining the present responsibility of any offeror described in (a) (1) through (5) above and to ascertain the most advantageous offer

received, price and other factors considered, the amount of \$369, which is the average amount of the direct costs of performing the PAS, shall be added as an evaluation factor to such offeror's total offered price.

(c) Nothing in this provision affects the right of the Government to perform or not to perform a preaward survey on any offeror.

\* Insert applicable time period in accordance with 15.304(c) (95) (A), (B) and (D).
